HEAVY FALLS ON RAINFALL DAYS, 1865 to 1955

List of Heavy Falls on Rain-days of 4 inches or more, incorporating the table on pp.273-280 of British Rainfall, 1934.

(In Cumberland and Westmorland and in the case of the falls of August 26th, 1912, June 28th, 1917, August 12th, 1948 and June 18th, 1955 only falls reaching 5.00 inches are included and in Glamorgan, Brecon, Merioneth, Carnarvon, Argyll and Inverness only falls reaching 4.50 inches. In counties where no fall of 4 inches has been recorded, the largest fall is given where that reached 3 inches. In the case of counties with no entry, the largest fall on record is less than 3 inches. The rainfall day covers the 24 hours from 9 a.m. on the day of entry).
